OTHER TAKEAWAYS

Manager Academy is a great opportunity for managers to gain an increased understanding and appreciation for all aspects of customer and member acquisition. Manager Academy will focus on leadership and coaching as well as other pertinent topics to achieve greater success. Attendees will also complete a DiSC Management Profile which will give insight into their personal management style and provide a better understanding of how to most effectively lead others on their teams.

HABERFELD WILL PROVIDE

- Two nights lodging at upscale hotel in Omaha's historic Old Market
- Opening welcome reception
- Dinner at a great local restaurant the evenings of Oct. 3 and Nov. 6
- All training manuals and materials
- DiSC Management profile assessment
- Breakfast both days and lunch on first day
